

FOI Request: QIPP Schemes  
Our Reference Number: 1314277

**Each CCG's QIPP programme will consist of several initiatives – QIPP schemes. Please send me:**

- **A short description of each of your CCG's QIPP schemes;**
- **How much you expect to save from each scheme; and**
- **Any measurable improvements in quality of care each one is expected to bring about.**

Under section 21 of the Freedom of Information Act 2000, a public authority does not have to provide information in response to a request when that information is reasonably accessible to the applicant by other means.

The detail of schemes and expected outcomes for the 13/14 QIPP are as included within the organisations Integrated Plan, which can be accessed here:

The CCG does not have an individual scheme specific target, but do have targets by workstream. The financial savings planned through these collectives of schemes is as below:

Planned Care	£503k
Prescribing	£670k
Unplanned Care	£4,155k
Unplanned Care A&E	£1,377k
Technical	£766k

Updates on the schemes are included in the papers that go to the CCG Governing Body, which can be accessed here:
