We do not hold this information.

The CCG commissions ICT as a service from NHS Central Eastern Commissioning Support Unit (CSU), and it is this organisation that holds licenses for the software you have listed. We do not specify what software is to be used. Information on how to send an FOI request to the CSU is available here:

www.centraleasterncsu.nhs.uk/freedom-of-information

Please also provide the total number of computers within the organisation.

We do not hold this information. Services are provided across our customer base and as such there is no way of giving the requestor a logical split per CCG.
