

FOI Request: Neurorehabilitation Services
Our Reference Number: 1314033

We request information on patients that have been commissioned for post brain injury rehabilitation divided on the basis of the following criteria as specified in the Specialised Services National Definitions Set (SSNDS). No.7 Specialised Rehabilitation Services for Brain Injury and Complex Disability (all ages) (3rd Edition).

Unfortunately we do not hold this information and suggest you direct this FOI to NHS England as the successor organisation to the PCT specialist commissioning. Through CHC we pick up some care but the real focus of the FOI is the Specialist Commissioning part.
