

FOI Request: IT Department
Our Reference Number: 1314257

I would like to find out the full organogram for the IT department and line manager names.

We do not hold this information. ICT is provided to the above CCGs, as a service, by NHS Central Eastern Commissioning Support Unit (CSU).

Since the 1st April 2013, following the NHS transition in England, a national organisation, called NHS England, is the host organisation for all CSUs. It is to this organisation that you should make your request, and information on how to do this is available here: <http://www.england.nhs.uk/contact-us/foi/>
