

**FOI Request: Procuring New IT System**  
**Our Reference Number: 1314298**

*The below response has been provided by NHS Central Eastern CSU, as the provider of CHC:*

**1. Is the CCG/CSU planning on procuring a new IT system to manage CHC or FNC?**

The CSU may consider procuring a new IT system to manage CHC or FNC over the next 12 months. The CSU is currently reviewing all existing IT systems to review capability and fitness for purpose.

**2. Is the CCG/CSU planning on tendering for a new IT system to manage CHC or FNC?**

The procurement approach will be dependent on the outcome of the IT system review, therefore any future tendering will be determined by the scope of the potential procurement.

**3. If yes, where and when has this tender been lodged?**

This will be dependent on the procurement approach and potential value of the contract, which has not been determined.

**4. Is the CCG/CSU planning on procuring a new IT system for CHC through a framework?**

No.
