

FOI Request: Expenditure on Legal Fees
Our Reference Number: 1314328

The total expenditure on professional advice (including legal advice) on procurement and competition requirements for the dates 2012/13 and 2013/ 14 to date. Please include advice from Commissioning Support Units and other NHS bodies.

With regards to 13/14 information: Procurement, as a service, is provided by NHS Central Eastern Commissioning Support Unit. Professional/Legal advice forms part of this, but we are unable to separate this from the total spend. The total spend on the procurement service is £120,000
There has been no other professional/legal advice provided on procurement.

With regards to 12/13 information: Information regarding PCTs has been taken on by the Department of Health. This information should be available if you send a request to the following email address:
