Please bear in mind some of the information you have requested is exempt under the Freedom of Information Act 2000. We have marked this within the spread sheet by marking in red where an exemption applies, and will explain this below:

For the following job roles on the Existing\_Data tab of your spread sheet:

Lead - Prescribing and Medicines Management, Medicines Management, Prescribing Advisor, Prescribing Advisor, Information Services, Prescribing Advisor, Lead – Commissioning, Board Member - Local Authority, Commissioning, Quality Assurance, Risk Management, Prescribing Advisor, Prescribing Advisor and Board Member - GP

Under section 40 (2) of the Freedom of Information Act 2000, a public authority does not have to provide information where that information is considered personal information under the Data Protection Act 1998. Guidance states that personal information can be released where it is deemed the staff member in question is either public facing or senior/decision making, and the CCG has taken the decision that this will be just members of the governing body. Therefore, we believe that the information you have requested falls into this category, and therefore will not be supplying this as a result.

For those job roles not filled in on the Additional\_People tab of your spread sheet:

We have filled in those lines which relate to a member of the governing body, the remainder are exempt under the exemption mentioned above. All Governing Body members can be found on the following webpage: [www.southendccg.nhs.uk/our-board](http://www.southendccg.nhs.uk/our-board)

Email addresses:

Under section 40(2) of the Freedom of Information Act 2000, a public authority does not have to provide information where that information is considered personal information under the Data Protection Act 1998. We believe that the direct contact details you have requested falls into this category, and therefore will not be supplying this as a result.

Guidance states that personal information can be released where it is deemed the staff member in question is either public facing or senior/decision making, however, it also states that this should only be done where “the legitimate interest can only be met, or fully met, by the disclosure of information which identifies individuals”. The CCG feel that the legitimate interests of this request can also be fulfilled by providing the generic contact details of the organisation. These are available here:
