**Our Reference Number: 1314368**

***I am writing to request current staff structure charts for the departments of Finance, Procurement and Contracts for this CCG with the names of the current post holder.***

Finance – Under section 21 of the Freedom of Information Act 2000, a public authority does not have to provide information in response to a request when that information is reasonably accessible to the applicant by other means. The information you have requested can be accessed here:

Procurement and Contracts – We do not hold this information.

The CCGs do not have internal procurement or contracts teams, but instead commission NHS Central Eastern Commissioning Support Unit (CSU) to do this work on our behalf. It is from them that you should request this information.

Information on how to submit a FOI request to them is available here:
