

FOI Request: Advanced Skin Cancer Treatments
Our Reference Number: 1314003

Availability of advanced skin cancer treatments ipilimumab (Yervoy) and vemurafenib (Zelboraf)

As this is a cancer treatment it comes under the commissioning responsibilities of NHS England rather than the CCGs, so we are not best placed or indeed able to answer this question.

FOI contact details for NHS England are available here: <http://www.england.nhs.uk/contact-us/foi/>
