

FOI Request: Acute Alcohol Admissions
Our Reference Number: 1314009

I. How many patients were admitted to hospitals in the former PCTs for which you are responsible for alcohol-related reasons more than once in the most recent 5 years for which figures are available?

II. Can you confirm that the patients are unique individuals?

III. What was the costs associated with these admissions?

Unfortunately due to restrictions in place surrounding CSUs and CCGs processing Patient Identifiable Information, we do not currently have access or hold the information required to respond.

An alternative route to obtain this information would be to contact the acute trust directly, as follows:
