

FOI Request: Diabetes Information
Our Reference Number: 1314012

1) Please could you provide me with a copy of the current diabetes guidelines (as of 12 April 2013) that are being utilised by the CCG

We do not currently have diabetes guidelines

2) Where there is a current Local Enhanced Service (LES) for diabetes for the CCG, please can you provide a copy.

No local enhanced service is in place for diabetes

3) Please can you provide a copy or link to the current formulary being utilised by the CCG

Below are the formulary chapters already approved, we are currently reviewing this and looking to adopt it for Southend CCG. Further draft chapters have been approved on the 10th April 13, with minimal changes to be carried out.

Chapter 4. CNS.May-2012.pdf SEE December-12. BNF CHAPTER 5 infec- Endocrine Sep-11.p
Formulary Chapter 6 Sep-11.p Obstetrics Gynaecolo March 2013.pdf
Ostomy accessories. March 2013.pdf

4) Please can you provide details of any prescribing targets or incentive schemes specific to diabetes or diabetes products for the year 2013 -2014

Currently no prescribing targets specific for diabetes for 2013-14

5) Please could you provide a copy or link to the commissioning plan for the CCG for year 2013 – 2014
