

FOI Request: Memory Services for Dementia
Our Reference Number: 1314051 & 1314064

1. Does your CCG commission memory services for dementia care?

Yes

2. How many individual memory clinics has the CCG commissioned for 2013/14?

3

3. Are your memory services accredited by the Royal College of Psychiatrists?

Yes

4. How much was spent on memory services only in 2012/13?

South East Essex PCT spent £1,848,455

5. How much has the CCG budgeted to spend on memory services only in 2013/14?

We do not hold this information. The amount is part of a block contract and can't be separated.

6. How many patients used memory services in your area in 2011/12?

South East Essex PCT: 386

7. How many patients used memory services in your area in 2012/13?

South East Essex PCT: 827

8. What was the average waiting time following GP referral to access memory services in your area in 2012/13?

Figures are for: referral to 1st contact / Assessment to diagnosis

South East Essex PCT: 4.4 days / 7.2 weeks

9. What is the current waiting time (as of 15 May 2013)?

Referral to first appointment is within 7 days

10. Please provide any internal or external CCG correspondence relating to the capacity of, or plans to invest in, memory services for dementia care.

No discussions have taken place as yet, therefore no correspondence is available.
