

**FOI Request: Providers selected under each AQP tender
Our Reference Number: 1314189**

- 1. A list of all Any Qualified Provider tenders for services covering the CCG area that have been launched since the start of 2012. For each, please state the lead authority on the procurement**
- 2. A list of the providers selected under each AQP tender provided in response to part one of this request, and the month and year in which the tender concluded**

In response to questions 1 & 2, please see document below:

FOI 1314189 - CPR
& Southend.pdf

Current & future AQPs will be advertised here <https://commissioning.supply2health.nhs.uk/S2H-Home.aspx>

For part one of this request, please state whether the tender covered the area of other CCGs, and please list those other CCGs. For example, this may apply where the CCG held a joint procurement with other CCGs, or where the tender was run by a predecessor PCT that has been succeeded by a number of CCGs.

These tenders were run by the predecessor PCT, South East Essex. The area covered by this PCT now comes under the responsibility of Southend CCG.
