

FOI Request: Dental Services
Our Reference Number: 1314252

Please could you fill in the attached questionnaire as part of our freedom of information request into the current environment of dental services.

We do not hold this information.

Since the 1st April 2013, following the NHS transition in England, a national organisation, called NHS England, is responsible for the commissioning of primary care services (GP, Dental and Pharmacy). It is to this organisation that you should make your request, information on how to do this is available here: www.england.nhs.uk/contact-us/foi/
